Murder Trial Enlivened by Alleged Detective-Clairvoyant Letter.

DOCTORS SPRING MINE

scialists Say Wounds of Dead Woman Might Have Been

Shelbyville, Ind., Dec. 2.—Today was defense day in the trial of Dr. William Craig, head of the Indiana Veterinary College, of Indianapolis, on trial here for

College, of Indianapolia, on trial here for the murder of Dr. Helene Knabe, who was found dead in her Indianapolis apartments two years ago. Three dis-tinct features marked the swiderce. First-Henry M. Spean, chief of cour-sel for Dr. Craig, in backing up his argu-ment that spiritualism and the assist-able of spiritualism and the assist-able of spiritualism and the assist-able of spiritualism and the assis-table of spiritualism and the assis-able of spiritualism and the assis-ance of spiritualism and the assis-tant properties of spiritualism and the spiritualism and the assistant and addressed to Ross Cooper, an Indianapolis ciair-voyant.

and, signed by Webster and addressed. Rose Cooler, an Indianapolis ciairsyant. Second—Attorney Spaan, during his
seeing statement to the jury, declared
at the defense would present convincrevidence fo show that Augusta
masses and Katherine McPherson, Dr.
make's office assistant, removed the
cody knife and other evidences of suitic, during the hour in which they were
one in the Knabe flas with the corpse,
fore the police were called.
Third—Four Indianapolis deciors, called
witnesses for the prosecution, admitd on 'cross-examination that Dr.
make's wounds might have been selfflicted, and that the marker theory did
t enter into their heads until after the
first with which the killing was done.
